TRANSFORMATIONAL COACH | SPEAKER  
LEADERSHIP STRATEGIST | BUSINESS ADVISOR

## ABOUT

Nicole Jansen is a transformational business coach, leadership strategist, and host of the top-rated Leaders of Transformation podcast. With over 35 years of experience, she has empowered thousands of entrepreneurs and executives to scale their businesses, elevate their leadership, and align success with purpose.

As a Certified Human Behavior Specialist, Strategic Intervention Coach, and Master Facilitator, Nicole brings deep insight and practical wisdom to help high-achieving leaders overcome growth ceilings, streamline operations, and create lasting impact—without burnout.

Her work spans across five continents and industries ranging from finance and real estate to wellness, digital media, nonprofit, and even space exploration. Whether coaching startups or established organizations, Nicole equips leaders to maximize their strengths and build a legacy of positive influence.

When she's not working with clients or podcasting, she enjoys mentoring emerging leaders and exploring the sunny beaches of Southern California.

## TESTIMONIALS

*"Nicole Jansen is the real deal. She was a featured speaker on my Global Champions Summit and all I can say is WOW. The information she shared was mind-blowing. I took notes! LOL. She had so many nuggets that were practical, easy to follow and transformative, my global audience was blown away." ~ Camilita Nuttall, CEO Event of Champions*

*"Nicole not only helped me scale my business, but heal my belief of self." ~ Michelle Mcdevitt, Hair Salon Owner, Influencer*

*"Nicole not only helped me increase my business over 100%, she helped me discover a bigger purpose to my life which has made my life fulfilling and meaningful. Many coaches can help you increase sales and build a business, but it takes a rare soul to help you see the plan God has laid out for you and help you gain the courage and knowledge to act on it. If you are looking to take your entire life to a whole new platform, Nicole is that rare soul." ~ Nakula Das*
